

APRIL NEWSLETTER

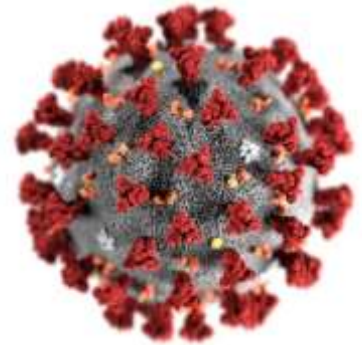

Wilton Retirement Community 2020

Simpson Memorial Home Inc. will continue the tradition of being a responsible provider of excellent quality care to the communities we serve.

COVID-19 UPDATE:

COVID-19 or Coronavirus has come to change our daily lives in everyday recently. We are here to help you as much as we can. As we continue with our current visitor restrictions, we want to outline the following for you: There are many ways you can communicate with your loved

ones such as: Skype, FaceTime, phone calls, letters, window visits. For window visits, the window must remain closed. Please call and speak with one of our team members so we can help you set up a date/time that will work best for your family.

We are currently taking mask donations. Please call the facility if you have any questions!

Dining and Activities

I know a lot of you have wondered how we are setting up dining and activities with the new restrictions. Currently we must have residents at least 6ft apart for all encounters. We are no longer having communal dining; we are having one resident per table or a room tray provided. We have extra staff stepping up to help feed and run meals. As we are a big family here at WRC, we

are working together to make sure every one of our resident's needs are met.

For activities, Jean and her helpers have been providing 1:1 activities such as: reading Lenten devotions, exercise, BINGO sheets, puzzles, reading books, coloring, word searches, writing some Pen Pal letters, and fingernails. We started having BINGO this month again, with residents sitting in a similar fashion as dining.

MARCH EMPLOYEE OF THE MONTH

Lindsey Kuhlman and Tina Paarman are the March Employees of the Month.

Lindsey is our rehab aid/CMA and has worked for SMH/WRC since 2013. Tina is a CAN and she has worked for WRC since 2019. Thank you for all you do!!

Lindsey Kuhlman

Tina Paarman

We are spreading joy around the facility. You will see that there are many hearts on the windows of our facility. We have also updated our tree for Easter!
